Q: What are my tuition payment options?

A: CCA offers 2 different payment options. Families can pay **monthly** or **annually**. If you make an annual payment, ask the office if there is an additional discount. If you make monthly payments you can pay your balance off at any time.

Q: If I qualify for voucher, do I pay tuition?

A: CCA works with the Indiana School Choice (Voucher) program to keep costs low for families. Voucher awards contribute toward tuition costs. Voucher varies by student and can be found by selecting "Estimated Awards per period" on this website: <https://www.in.gov/doi/students/indiana-choice-scholarship-program/>

For example: 3rd grade IPS student enrolls at CCA. Take the posted tuition (\$7300) and subtract voucher for your school district (\$6707.72). That difference is \$592.28. CCA may apply a need-based scholarship, making the payment \$350 for 2022-23 school year.

Q: How do I pay my bill?

A: CCA makes paying your bill simple through our new Bright Wheel App. Your bill will be posted monthly and you can set up secured, recurring payments on your preferred date. You can pay with a credit card, debit card, or electronic check. CCA will also take cash payments at the office. All parents must set up a Bright Wheel account for billing upon enrollment or re-enrollment. Please email mallen@ccachargers.org if you need assistance with Bright Wheel.
