

SECOND GRADE OVERVIEW

ABOUT CENTRAL CHRISTIAN ACADEMY

Since 1971, Central Christian Academy has been providing a premier Christ-centered education founded on a Biblical platform that has continued to develop future leaders and open doors for continued education in collegiate, workforce or vocational pathways.

MISSION

Engage | Educate | Equip.

SPIRITUAL FORMATION

Central Christian Academy is committed to the development of students and families through the support of a Christian worldview. Through partnerships with parents and caregivers we offer high quality, Christ-centered education, focused on creating relationships and positive growth that lead to a life-long desire to know more about Jesus.

DISCIPLINE

Below are the standard expectations of student etiquette on the CCA campus:

- Kindness via words, actions, and attitudes
- Respect towards all adults, school property, God's name, and each other
- Self-control with words, conduct, and attitudes
- Obedience for school rules and teacher's instructions
- Honesty in all of our dealings with others
- Orderliness in conduct, with personal belongings, and with regard to assignments

OUR FOCUS

Below are the priorities, protocols, and practices CCA incorporates on campus to serve teachers and students well.

- Biblical Foundations
 - Class prayer
 - Jesus is a part of every interaction
 - Behavioral appeals to Jesus + Biblical values
- Student Safety
 - Onsite security guard daily
 - Secure building + keycard access doors
 - Classroom + hallway cameras
 - Passcode locks on each classroom door
- Student Citizenship
 - No cell phones during school hours
 - Dress code enforced
- Family Resources
 - Tuition Assistance
 - Free and reduced lunch available to all families

BELL SCHEDULE

Monday - Thursday: 8:00 am - 3:05 pm

Friday: 9:00 am - 3:05 pm

ACCREDITATION

Central Christian Academy has been fully accredited through the Indiana Department of Education's Indiana Freeway accreditation program for 20+ years and will be seeking dual accreditation with a recognized and approved organization within the next 24 months.

SECOND GRADE OVERVIEW

OUR APPROACH AT A GLANCE

- Hands-on Learning
- Technological Exposure
- Core Curriculum

TEACHING TEAM

Our second grade classrooms have a dedicated core teacher and additional aides are available for support as needed.

CLASSROOM ENVIRONMENT

We strive to create a strong balance of nurturing and conducive learning in our classroom. A few ways that we achieve this is by emphasizing assigned seating, academic literacy and math centers, and student collaboration opportunities to maximize learning.

TEACHING APPROACH

Students are engaged in an integrated environment that allows multiple subjects to be explored at once.

- Inquiry-based learning
- Hands-on learning
- Differentiated instruction to focus on individual areas of growth that are unique to students.

CORE CURRICULUM

Second grade is designed to be rigorous and integrated to introduce new concepts in core subjects.

- Reading: Reading foundations, comprehension, context clues, etc.
- Writing: Penmanship, informative writing style, parts of speech, etc.
- Math: Number sense, computation, algebraic thinking, geometry, measurement, data analysis
- Social Studies: History, civics, geography, economics
- Bible: Relationships with the Creator, each other, ourselves, and creation

TECHNOLOGY INTEGRATION

Students are expected to utilize technology to complete assignments and engage with class content.

- Google Chromebooks
- Classroom Management System
- Digital Learning Platforms
- School Management System

PULL-OUTS + SPECIALS

Students experience weekly pull-outs such as:

- Chapel
- Music + Choir
- Art
- Library
- Title One
- Physical Education

SECOND GRADE OVERVIEW

ASSESSMENT + PROGRESS TRACKING

We utilize a variety of methods to track student progress and keep parents engaged with their child's learning.

- Weekly quizzes in math, reading, and spelling
- Read Naturally literacy progress checks
- NWEA Assessments (3x/year)
- IREAD Standardized Test preparation
- ILEARN Standardized Testing, Spring

EXTRACURRICULAR ACTIVITIES

In second grade, we want to expose kids to the learning that can happen inside and outside of the classroom through:

- Field trips
- Guest speakers
- Plays/musicals

PARENTAL INVOLVEMENT

Parent and School partnership is critical to providing high-quality education. Parents are welcome to volunteer and stay connected to their student's growth through the approved communication channels we provide each school year. Parents may also get involved in the classroom by volunteering for class parties or reaching out to the teacher to see what other support is needed.

DISCIPLINE

In second grade, students are expected to follow a seating chart, which is arranged quarterly. Our classroom expectations are that all students are treated with respect, and expected to reciprocate that respect right back to any adult. Students show respect by following directions, obeying the rules, and completing classroom assignments to the best of their ability. Classroom discipline will be given based on the offense, in order to keep the classroom running smoothly and effectively.
